*“TRANSITION TOWARDS GREEN AND
HEALTHY FOOD PRODUCTION IN
BOSNIA AND HERZEGOVINA”*

Donor:

Ministry of Foreign Affairs and International Cooperation (MAECI) – Italian Agency for Development Cooperation (AICS)

Executing agency:

Mediterranean Agronomic Institute of Bari (CIHEAM Bari), Italy

Local counterpart:

Ministry of Foreign Trade and Economic Relations of Bosnia and Herzegovina (MoFTER), Sector for Agriculture, Food, Forestry and Rural Development

Project duration:

36 months, January 2023 – December 2025

Total project budget:

2,499,500 €

Type of Funding:

100% Grant

General objective:

- to support the transition towards green and healthy agricultural production in Bosnia and Herzegovina (BiH) and its better promotion at domestic and international (EU) markets

Specific objective:

- to strengthen the capacity of public administration, farmers, and agri-food producers in BiH to adopt the EU standards, policies and practices related to the green rural development and healthy agri-food products

Expected results:

- Enhanced capacity of public administration to adopt and promote “green” rural development policies for healthy agricultural production based on the EU Green Deal Plan and Farm to Fork Strategy
- Information System (database) of typical agricultural products value chain and eco-innovative production measures based on farmer science and public administration support
- Promotion of programs and protocols for the transition towards green and healthy agricultural production in BiH
- Implementation of eco-innovative production pilot initiatives that valorise local green and healthy agricultural products and their promotion at domestic and international (EU) markets
